Dear Parents,

## THIS WEEK WE ACCOMPLISHED:

- We continue to practice writing new words and reviewing sounds. Please keep doing this at home as well.
- Just a reminder: homework is sent home on both Tuesday and Thursday and is to be completed and returned the following day. The homework writing books are sent home on Monday to be returned by Friday.
- We went to the DuPage Children's Museum. Thank you to the parent volunteers who came. Unfortunately I had to attend a conference which was scheduled after the field trip was already reserved. The conference was very good, however!
- Some stations this week included: looking through magazines for food that the bear from, It's the Bear! ate and gluing it under the bear's tummy flap than writing what it ate; playing a counting bear race game; using watercolors to paint a bear; playing a sound blending game; after singing, "the bear went over the mountain" song, writing what their bear went over and illustrating; listening to a fiction bear story; playing a Lakeshore vowel game; putting together a bear puzzle; completed a bear booklet; listened to winter and bear stories at the listening station.
- In science, we are learning about hot and cold and thermometers.
- We have been working hard counting to 100 in the Count Game; many children are already members of the Count 100 Club!!!! Keep counting.
